

Research in Education and Psychology

R.P. Pathak

Research in Education and Psychology aims to explain how the application of research principles can make learning more effective and result-oriented. It tries to blend research with classroom teaching and to uplift the idea of practical knowledge. Divided into two parts, the book begins by introducing research, research process, methods and parameters of quality research and moves on to discuss various data analysis and representation techniques. This textbook will cater to B.Ed., M.Ed., M.Phil. and Ph.D. students, but will also be useful to teacher educators who are engaged in research.

R.P. Pathak is Associate Professor, Lal Bahadur Shastri Vidyapeeth (deemed university), New Delhi
