

THE PEARSON GUIDE TO
INORGANIC CHEMISTRY FOR THE IIT JEE

Atul Singhal

The Pearson Guide to Inorganic Chemistry for the IIT JEE offers a systematic approach that leads students gradually from introductory concepts to advanced applications. The integrated coverage of each concept is recapitulated as needed for a thorough coverage of the subject as per the design and format of the IIT JEE. The wide variety of exercises, based on both concepts and applications, encourage the students to analytically handle problems with confidence, speed and precision.

FEATURES

- Conforms to the latest pattern and syllabus of the IIT JEE
- Each chapter has been designed to ease comprehension of complex concepts
- 2000 Carefully selected and graded MCQs to build confidence and develop speed and accuracy.
